Thank you for your two letters of November 29th.

The one in which you so highly recommend [redacted]  
I have given to our Director of Personnel with the  
request that he explore fully the possibilities of our  
utilizing [redacted] fine talents. He will contact  
[redacted] direct in this matter. I very much appreciate  
your bringing him to my personal attention.

Your other interesting letter concerning certain  
events in the Middle East I have referred to our  
appropriate specialists for further study and recom-  
mendation. Here again I am most appreciative of your  
inviting this information to my attention.
